"What is aimed at is an accurate description, illustrated by plans, measurements, drawings, or photographs and by copies of inscriptions, of such remains as most deserve notice, with the history of them so far as it may be traceable, and the record of the traditions that are preserved regarding them."—LORD CANNING.

"What the learned world demand of us in India is to be quite certain of our data, to place the monuments before them exactly as it now exists, and to interpret it faithfully and literally."—JAMES PRINSEP.
