D.O. No. VIII-11012/02/2022-DGCD (CD)

16th January, 2023

Dear Chief Secretary,

The Civil Defence (CD), is an integral component of Nation's Passive Defence Strategy. The Hon'ble Prime Minister and Hon'ble Union Home Minister during their address at the 'Chintan Shivir', held at Surajkund, Haryana on 27 & 28 October, 2022, had emphasized importance of the Civil Defence preparedness in the country, especially in Bordering & Coastal Areas of States/Union Territories.

2. The Civil Defence has traditionally played a vital role in supporting the Armed Forces, mobilizing the citizens and helping the civil administration in discharge of their responsibilities. However, new and complex threats/challenges are emerging, which may pose potential distress to the civilian lives and livelihood during the hostile attack/internal security situations.

3. In order to lessen the impact of any hostile attack/Internal disturbance or disasters and protect the civilian's life and property during such emergent situations, prior Civil Defence preparedness of the civil administration, training and empowerment of community from the Civil Defence perspectives are required.

4. The Ministry of Home Affairs(MHA) and the Director General of Civil Defence(DGCD) have been writing to the States and the Union Territories in the matter of capacity building of their Civil Defence Force and to prepare or update Civil Defence plan of the towns/districts. Copies of the previous communications made by MHA and DGCD in this regard are enclosed for ready reference.

5. Over a period of time, MHA, Govt of India have identified a total of 295 vulnerable towns/districts of the country, where Civil Defence measures needs to be implemented during the peace time. In the recent Civil Defence review Committee meeting taken by me, it has been observed that Civil Defence preparation in the vulnerable areas/districts require more attention and improvement.

6. I shall be grateful if you could personally look into and review the Civil Defence set up in your State as envisaged in the Union War Book and direct the concerned officers to comprehensively review the CD Plans and implement the required CD measures so as to effectively deal with any emergency situation. A report in this regard may also be shared with the MHA and DGCD for information and updating of the records.

With regards,

Yours sincerely,

(Ajay Bhalla)
