1 INDIAN AGRICULTURE: PROBLEMS AND PROSPECTS 1

Problems / 1

Small Size and Fragmentation of Landholdings • Tardy Progress in Land Reforms •
Outdated Implements and Machinery • Lack of Irrigation • Inadequate Power
Supply • Agricultural Credit Problem • Poor Agricultural Marketing • Non-Availability of
Improved Seeds • Inadequate Consumption of Manures and Fertilizers • Lack of Plant
Protection Measures

Green Revolution / 19

Achievements of the New Technology • Lacunas in the New Technology •
Misuse of Input Subsidies

Food Security / 22

Drive for Self-Sufficiency / 22

Increase in Food Production / 22

Future Prospects/Challenges / 23

Nutritional Security / 24

2 LAND AND WATER RESOURCES 26

Land Resources / 26

Area Reporting for Land Utilization / 26

Land-use Classification / 26

Trends in Land Utilization • Forests • Forests and Forest Products • National Forest
Policy • Afforestation • Area not Available for Cultivation • Other Uncultivated Lands
Excluding Fallow Lands • Fallow Lands • Net Area Sown

Cropping Intensity / 45

Water Resources / 47

Per Capita Availability of Water / 47

Surface Water Resources / 47

River Water Disputes / 49

Mechanism for Resolving River Water Disputes / 51

Some Important River Water Disputes / 51

Groundwater Resources / 54

Utilization of Water Resources / 57
Irrigation • Drinking Water Supply • Industrial Use • Hydropower and Other Energy Needs • Other Uses

The National Water Policy 1987 / 59

The National Water Policy 2002 / 60

National Water Grid / 60

The KL Rao Scheme / 61

Power Required for the National Water Grid / 63

The National Perspective Plan 1980 / 63

The Master Plan for Artificial Recharge of Groundwater / 64

3 IRRIGATION DEVELOPMENT

The Need for Irrigation / 67

Growth of Irrigation during the Planning Period / 68
Lacunae in the Growth

Sources of Irrigation / 71
Canals • State-wise Development of Canal Irrigation • Tanks • Tubewells • Other Wells • Other Sources

Irrigated Area / 92
State-wise Distribution • Irrigated Area Cropwise

Major Irrigation Projects / 98
The Bhakra-Nangal Multipurpose Project • The Beas Project • The Thein Dam • The Rajasthan Canal Project (Indira Gandhi Nahar Pariyojana) • The Sarda Sahayak Pariyojana • The Gandak Irrigation Project • The Ramganga Multipurpose Project • The Matatilla Multipurpose Project • The Kosi Multipurpose Project • The Chambal Valley Multipurpose Project • The Bargi Project • The Mahanadi Reservoir • The Tawa Irrigation Project • The Hasdeo Bango Project • The Hirakud Multipurpose Project • The Mahanadi Delta Irrigation Project • The Ukai Project • The Kadana Project • The Sardar Sarovar Project (SSP) • The Jayakwadi Project • The Damodar Valley Corporation Multipurpose Project • The Nagarjunasagar Multipurpose Project • The Pochampad Irrigation Project, Stage I • The Tungabhadra Multipurpose Project • The Malaprabha Irrigation Project • The Ghataprabha Irrigation Project • The Upper Krishna Irrigation Project (Stage I)

4 FOODGRAINS

Rice / 113
Conditions of Growth • Cultivation • Yield • Area and Production • Trade

Wheat / 120
Conditions of Growth • Cultivation • Yield • Area and Production • Trade

Barley / 125
Conditions of Growth • Cultivation and Yield • Area and Production • Trade

Coarse Cereals / 127

Jowar • Bajra • Maize • Ragi

Pulses / 138

Gram • Tur • Other Pulses

5 COMMERCIAL CROPS**Sugarcane / 145**

Conditions of Growth • Cultivation • Yield • Area and Production • Processing

145

Cotton / 149

Conditions of Growth • Bt Cotton • Yield • Area and Production • Trade

Jute / 155

Conditions of Growth • Cultivation • Yield • Area and Production • Marketing

Tobacco / 157

Conditions of Growth • Cultivation • Curing and Fermentation • Yield • Area and Production • Exports

Oilseeds / 159

Groundnut • Rapeseed and Mustard • Soyabean • Sunflower • Castorseed • Sesamum • Linseed

6 PLANTATION AND GARDEN CROPS

171

Tea / 171

Conditions of Growth • Cultivation • Varieties and Yield • Plucking and Processing • Area and Production • Domestic Consumption • Exports

Coffee / 174

Conditions of Growth • Yield • Plucking and Processing • Area and Production • Domestic Consumption • Exports

Rubber / 176

Conditions of Growth • Propagation • Tapping and Yield • Processing • Area and Production • Domestic Consumption

Coconut / 178

Conditions of Growth • Cultivation • Yield • Preparation of Copra and Coir • Area and Production • Trade • Consumption

Arecanut / 180

Conditions of Growth • Cultivation • Curing and Processing • Area and Production

Spices / 182

Pepper • Cardamom • Chillies • Ginger • Turmeric

Fruits / 188

Mango • Banana • Citrus • Orange • Apple • Grape • Cashew

7 LIVESTOCK, SERICULTURE AND FISHERIES

200

Livestock / 200

Poor State of Indian Livestock • Cattle • Important Cattle Breeds of India • Development Programmes • Buffaloes • Sheep • Goats • Pigs • Horses and Ponies • Donkeys and Mules • Camels

Livestock Products / 209Milk and Milk Products • Dairy Industry • Private Sector Participation • Meat •
Hides and Skins • Wool**Sericulture / 216**

Silk-Reeling

Fisheries / 218Fish Production • Marine Fisheries • Inland Fisheries • Fish Production,
State-wise • Preservation and Processing of Fish • Consumption • Exports**8 AGRICULTURAL REGIONS 229****Crop Combination Regions / 229**

Data and Methodology

Crop Combination Regions of India 1990-92 / 230Rice Combinations • Wheat Combinations • Jowar Combinations • Maize
Combinations • Bajra Combinations • Ragi Combinations • Other Cereals
Combinations • Gram Combinations • Tur Combination • Other Pulses
Combinations • Sugarcane Combinations • Groundnut Combinations • Rapeseed and
Mustard Combinations • Other Oilseeds Combinations • Cotton Combinations • Coconut
Combinations • Other Crops Combinations**Agro-Climatic Regions / 240**Primary Objectives • Zonal Planning Teams • Strategies for Enhancing Agricultural
Production • Maintenance of the Ecosystem • Land and Livestock Resources •
Agricultural Production • Productivity Level and Input Use • Demographic Features**9 SURVEY OF MINERAL RESOURCES 245****The Indian Mining Industry / 245****The National Mineral Policy / 246****Trends in Mineral Production / 247****Foreign Trade in Minerals / 248****Spatial Distribution of Mineral Resources / 248****Problems of the Mineral Industry / 249**Delay in Exploration • Uneven Distribution of Mineral Resources • Lack of
Infrastructure • Low Manpower Productivity • Policy for Conservation of
Minerals • Environmental Pollution**10 FUEL MINERALS 254****Coal / 254**Uses of Coal • Occurrence • Resources/Reserves • Production Trend • Resources and
Production State-wise • Consumption • Imports • Problems of Coal Industry**Lignite / 267**

Reserves • Reserves and Production State-wise

Petroleum and Natural Gas / 270Origin • Occurrence • Reserves • Exploration and Production Trends • Producing
Areas • The New Exploration and Licensing Policy • Coal Bed Methane Policy •

The National Gas Hydrate Programme • The Hydrocarbon Vision 2025 • Equity Oil from Abroad • Consumption • Imports • Crude Oil and Product-Pipelines • Refineries • Natural Gas: Uses, Reserves, New Discoveries, Production, Consumption, Imports, Gas Pipelines • Marketing of Petroleum Products

Nuclear Energy Minerals / 297

Uranium • Thorium • Zirconium • Beryl • Lithium • Graphite

11 METALLIC MINERALS: FERROUS AND ALLOYS GROUP 303

Iron Ores / 303

Types of Ore and Resources/Reserves • Production • Reserves/Resources and Production, State-wise • Mining and Processing of Ores • Domestic Consumption • Exports

Manganese Ores / 313

Occurrence • Reserves/Resources and Ore
Types • Mining • Production • Reserves/Resources and Production, State-wise • Domestic Consumption • Exports

Chromite / 319

Resources/Reserves • Production • Reserves and Production, State-wise • Consumption • Exports

12 METALLIC MINERALS: NON-FERROUS GROUP 322

Bauxite / 322

Occurrence • Reserves/Resources • Production • Reserves/Resources and Production, State-wise • Consumption • Exports

Copper Ore / 328

Occurrence • Reserves/Resources • Production • Reserves/Resources and Production, State-wise • Consumption • Foreign Trade

Lead and Zinc Ores / 333

Occurrence • Reserves/Resources • Production • Reserves and Production, State-wise • Consumption and Import

Gold / 337

Occurrence • Reserves/Resources • Reserves, State-wise • Production • Demand and Consumption

Silver Ore / 342

Occurrences • Reserves/Resources • Production • Import

13 NON-METALLIC MINERALS 346

Limestone and Dolomite / 346

Formation and Occurrence • Resources/Reserves • Production • Reserves and Production, State-wise

Apatite and Rock Phosphate / 355

Resources/Reserves • Production • Reserves and Production, State-wise • Consumption • Imports • Outlook

Gypsum / 358

Resources/Reserves • Production • Reserves and Production, State-wise • By-Product Gypsum • Consumption • Foreign Trade

Pyrite and Sulphur / 362

Resources/Reserves • Production • Reserves and Production of Pyrite, State-wise

Sulphur / 363

Consumption • Imports

Magnesite / 364

Resources/Reserves • Production • Reserves and Production, State-wise •

Consumption • Foreign Trade

Kyanite and Sillimanite / 367

Kyanite / 367

Resources/Reserves • Production • Reserves and Production,
State-wise • Consumption • Exports

Sillimanite / 369

Resources/Reserves • Production • Reserves and Production,
State-wise • Consumption • Exports

Steatite / 371

Resources/Reserves • Production • Reserves/Resources and Production,
State-wise • Consumption • Exports

Mica / 373

Occurrence • Resources/Reserves • Production • Reserves and Production, State-wise •
Mining and Dressing • Domestic Consumption • Exports

Salt / 377

Sources of Salt in India • Production • State-wise Production • Iodization • Exports

14 POWER RESOURCES DEVELOPMENT

380

Advantages/Uses of Electrical Power / 380

Progress in Power Resources Development / 381

Pre-Independence Phase • Post-Independence State-Monopoly Phase, 1948–1975 •
Entry of Central PS Companies, 1975–90 • Reforms Phase, 1991–2003

Reforms in Power Sector / 385

Electricity Act 2003 • Accelerated Power Development Reforms Programme • Rural
Electrification • Private Sector Participation

Sourcewise Development / 387

Hydro-power / 387

Types of Hydropower Schemes • Advantages of Hydropower Schemes • Hydropower
Potential • Growth in Hydropower

Thermal Power / 390

Coal-based Thermal (Steam) Power • Growth in Steam Power Capacity • Advantages of
Steam Power • Problems of Steam Power Plants • Natural Gas-based Thermal Power

Atomic Power / 394

The Process • Advantages of Nuclear Power • Development of Nuclear Power Sector •
The Nuclear Power Programme • Atomic Research and Development Programme •
The International Nuclear Regimes and India

	Renewable Energy Sources / 401	
	Importance of Renewable Sources of Energy • Wind Power • Small Hydro Projects • Solar Energy • Biomass Energy	
	Regional Patterns of Power Development / 409	
	Power Grids • State-wise Development	
15	DEVELOPMENT OF MANUFACTURING INDUSTRIES	418
	History of Development / 418	
	Arrival of the Modern Machine Industry • Achievements since Independence • Planwise Review • Role of Public Sector	
	Industrial Policy / 424	
	Structural Reforms in Licensing Policy • Foreign Direct Investment	
	Location of Industries / 427	
	Factors Affecting Industries' Locations / 428	
	Raw Material • Power • Transport • Market • Labour • Capital • Land • Government Policy	
	State-wise Development / 437	
	Major Industrial Regions / 440	
	Major Industrial Clusters / 449	
	Industrial Problems / 451	
16	TEXTILE INDUSTRIES	459
	Cotton Textiles / 459	
	History of Development	
	Mills / 459	
	Locational Factors • Production • Production State-wise	
	Handlooms / 469	
	Powerlooms / 471	
	Hosiery and Garments / 472	
	Man-Made Fibres / 474	
	Development • Raw Material • Production	
	Exports in Textiles / 477	
	Textile Industry: Problems and Prospects / 478	
	Jute Industry / 480	
	History of Development • Location of Jute Industry in West Bengal • Other Areas • Production • Exports	
	Silk Textiles / 483	
	History of Development • Distribution • Production • Exports	
	Woollen Textiles / 487	
	History of Development • Distribution • Production • Carpets and Namdahs • Exports • Imports • Problems of Woollen Textile Industry	

17 METALLURGICAL INDUSTRIES**Iron and Steel Industry / 491**

History of Development • Location of Iron and Steel Industry • Process of Iron Ore Smelting • Primary Producers of Steel • Trends in Steel Production • Problems of Steel Industry • Secondary Producers

Aluminium Smelting Industry / 511

Uses of Aluminium • Process of Aluminium Production • History of Development • Primary Producers • Production • Foreign Trade

Copper Smelting Industry / 519

Process of Copper Smelting • History of Development • Private Sector Participation • Production • Domestic Consumption and Foreign Trade • Future Outlook

Lead and Zinc Smelting Industries / 523

Lead Smelting • Primary Lead Producers • Zinc Smelting • Primary Zinc Producers • Secondary Producers • Production • Consumption and Foreign Trade

18 ENGINEERING INDUSTRIES**History and Development / 528****Heavy Mechanical Engineering / 528**

The Heavy Engineering Corporation Ltd. • The Bharat Bhari Udyog Nigam Ltd. • Steel Forging • Steel Structurals • Mining Machinery • Earth Moving Equipment

Machine Tools / 533**Railway Equipment / 534**

Locomotives • Rails, Wagons and Coaches

Industrial Machinery / 536

Textile Machinery • Sugar Mill Machinery • Cement Mill Machinery • Food Processing Machinery • Dairy Machinery • Pulp and Paper Mill Machinery • Jute Mill Machinery • Goods Containers • Other Types of Machinery

Automotive Industry / 539

Commercial Vehicles • Passenger Cars • Two- and Three-Wheelers • Auto-Components

Agricultural Machinery / 544

Agricultural Tractors • Power Tillers • Agricultural Implements • Power Driven Pumps and Diesel Engines

Ship Building / 546

The Hindustan Shipyard Ltd • The Cochin Shipyard Ltd • The Hooghly Dock and Port Engineers Ltd • The Central Inland Water Transport Corporation Ltd • Private Sector Shipyards • Defence Undertakings

Aircraft Industry / 549**Ordnance Factories / 549****Light Mechanical Engineering Goods / 549****Heavy Electrical Engineering / 550**

The Bharat Heavy Electricals Ltd (BHEL) • Other Producers

Electrical Appliances and Consumer Durables / 552

Electronics / 553	
Semiconductors • Consumer Electronics • Industrial Electronics • Computers • Communication and Broadcasting Equipment • Strategic Electronics • Electronic Components • Electronics Exports	
19 CHEMICALS AND ALLIED INDUSTRIES	566
History of Development / 566	
Heavy Inorganic Chemicals / 566	
Soda Ash • Caustic Soda • Calcium Carbide • Sulphuric Acid • Other Allied Chemicals	
Heavy Organic Chemicals / 570	
Petrochemicals / 571	
Plastics / 573	
Raw Materials • Conversion Industry • Exports	
Rubber Goods Industry / 576	
Raw Materials • Production of Rubber Goods • Exports	
Pharmaceuticals / 578	
Pesticides / 582	
Dyestuffs / 582	
Paints and Varnishes / 584	
Soaps and Detergents / 584	
Fertilizer / 585	
Development • Feedstock and Raw Materials • Production Trends • Producers • Joint Ventures Abroad • Distribution, State-wise • Problems • Imports	
20 FOOD PROCESSING INDUSTRIES	596
Sugar Industry / 596	
History of Development • Factors of Localization • Production • Distribution • Internal Trade • Exports • Problems of Sugar Industry • By-products	
Foodgrain Milling / 603	
Wheat Flour Mills • Rice Mills	
Vegetable Oils and Vanaspati Industry / 604	
Decentralized Sector • Organized Sector • Problems	
Consumer Food Industries / 607	
Fruits and Vegetable Processing / 607	
Dairy Industry / 607	
Meat and Poultry Processing / 608	
Fish and Fish Processing / 608	
Alcohol Industry / 609	
Tobacco Manufacturing / 609	

21 OTHER RAW MATERIAL-BASED INDUSTRIES**Cement / 611**

Development History • Raw Material • Manufacturing Process • Production • Regional Distribution • Exports • Problems

Glass / 621

Raw Materials • Distribution • Production • Exports

Ceramics / 623**Leather and Leather Products / 623**

Tanning • Leather Products • Exports

Paper and Paper Board Industry / 627

Development • Raw Material • Manufacturing Processes • Production • Distribution • New Capacity • Newsprint • Problems of Paper Industry

Match Industry / 635**Lac Industry / 636**

Production • Exports

Sports Goods / 636

Exports

Coir Industry / 637**22 TRANSPORT****The Indian Railways / 638**

Progress of the Indian Railways • Gauges and Traction • Volume of Traffic • Railway Zones • The Konkan Railway (KR) • Problems of the Indian Railways

Roads / 652

Progress Since Independence • National Highways • The National Highway Development Programme • State Highways • Other PWD Roads • District Roads • Village Roads • Border Roads • International Highways • Disparity in Road Development • Motor Vehicles

Inland Waterways / 669

Areas of Inland Water Transport • Problems of Inland Water Transport

Shipping / 674

Progress in Merchant Shipping Fleet • Stimulus from Tonnage Tax Regime • Shipping Companies • Coastal Shipping • Containerization

Ports / 678

Major Ports • Cargo Handled at Major Ports • Portwise Development • Minor/Intermediate Ports • Problems of Shipping Industry and Sea Ports

Air Transport / 691

Progress of Civil Aviation in India • Air Services/Airlines • Airports • Problems of Civil Aviation

23 FOREIGN TRADE**Export-Import Policy / 697**

The Export-Import Policy 1992-97 • The Exim Policy 1997-2002 • The Export-Import (Exim) Policy 2002-07 • The Special Economic Zones • Export-Oriented Units Scheme

Volume of Foreign Trade / 701

International Trade and India • Balance of Payments • Invisible Exports

Composition of Exports / 704

Agricultural and Allied Products • Ores and Minerals • Manufactured Goods • Mineral Fuels and Lubricants

Services Exports / 714**Growth in Merchandise Exports / 714****Destination of India's Exports / 715****Composition of Imports / 715**

Food and Live Animals for Food • Raw Materials and Intermediate Manufactures • Capital Goods • Major Sources of Imports

Direction of India's Foreign Trade / 722

Asia and Oceania • West Europe • East Europe • The CIS and Baltic States • North America • Latin America • Africa

Trade Related Agencies / 733

The STC • The MMTC • The Commodity Boards • The Indian Institute of Foreign Trade • The Marine Products Export Development Authority • The Indian Institute of Packaging • The Export Promotion Councils • The Federation of Indian Export Organisations • The Indian Diamond Institute • The WTO and India
