

**EXERCISE
PHYSIOLOGY**

J.P. Sharma

Exercise Physiology

| Content | Page |
|-------------------------------------------|-------------|
| Chapter 1 | |
| Introduction to Physiology | 001 |
| Purpose of Physiological Monitoring | 001 |
| Physiology and Cognitive Science | 002 |
| Role of Sports Psychology in Athletics | 009 |
| Physique in Sports | 011 |
| Chapter 2 | |
| Muscle Structure & Functioning | 032 |
| Anatomy of Skeletal Muscle | 040 |
| The Muscle Fiber | 041 |
| The Neuromuscular Junction | 044 |
| Tetanus | 045 |
| The Sliding-Filament Model | 046 |
| Coupling Excitation to Contraction | 047 |
| Motor Units | 048 |
| Fueling Muscle Contraction | 049 |
| Glycogen | 050 |
| Cardiac Muscle | 051 |
| Smooth Muscle | 053 |
| Muscle Diseases | 053 |
| The Sliding Filament Theory | 083 |
| The Phosphorus Cycle | 091 |
| Chapter 3 | |
| Muscle Contraction Theory | 104 |
| Body Composition Management | 110 |
| Cell Structure & Function | 124 |
| Functions of Membrane Proteins | 129 |
| DNA Structure & Function | 130 |
| Reversibility of Body Composition | 137 |
| Optimal Body Weight & Body Composition | 138 |
| Hemoglobin Evaluation | 144 |
| Tension in Blood Vessels | 149 |

| Content | Page |
|--------------------------------------------|-------------|
| Chapter 4 | |
| Bioenergetics | 152 |
| Muscle Energetics | 172 |
| Muscle Filaments | 178 |
| The Engines of the Muscle | 178 |
| Muscular Endurance | 205 |
| Muscular Strength | 206 |
| Metabolic Conditioning | 206 |
| Aerobic | 207 |
| Anaerobic | 208 |
| Performance Training | 209 |
| Exercise Program | 255 |
| Types of Stretches | 264 |
| Chapter 5 | |
| Coordination of Muscular Activity | 269 |
| Proprioception & Kinaesthesia | 269 |
| Muscle Spindle | 275 |
| Golgi & Tendon Organ | 277 |
| Motor Innervations of the Muscle Spindle | 278 |
| Chapter 6 | |
| Physiology of Exercise & Sports | 279 |
| Training for Different Muscle Fiber Types | 279 |
| Muscle Fiber Types | 279 |
| Determining Fiber Type | 282 |
| Physiology of Exercise | 286 |
| Motor Unit Fitness | 288 |
| Physical Activity Types | 297 |
