Word to the Reader v

SECTION I—GEOGRAPHY 1.1–1.125

1. World Geography	1.3
Introduction	1.3
Atmosphere	1.11
Hydrosphere	1.18
Lithosphere	1.23
Geomagnetism	1.37
Major Types of Landforms	1.38
World	1.40
Old and New Names	1.42
Important Boundaries	1.42
Oceans, Seas, Gulfs, Bays, Sounds, Straits, Channels, Isthmus, Peninsulas	1.45
Major Natural Regions of the World	1.45
Energy and Mineral Resources of the World (Major Mining Areas)	1.55
Major Fishing Zones of the World	1.57
2. Indian Geography	1.60
Introduction	1.60
Geological History of India	1.61
Peninsular Plateau Region	1.65
The Himalayan Region	1.67
The Great Northern Plains	1.72
Significant Islands	1.77
Drainage Systems of India	1.77
India's Climate	1.84
Soils	1.86
India's Vegetation Types	1.90

Census-2001	1.94
Tribal Groups and their Habitats	1.100
India (Mineral Resources)	1.100
Energy Resources of India	1.106
Industries of India	1.109
National Parks	1.114
Beaches in India	1.114
Hill Stations of India	1.115
Waterfalls in India	1.116
Important Towns on Rivers	1.116
Ports	1.117
Some Major Irrigation and Multipurpose Projects in India	1.118
Longest, Largest and Highest in India	1.120
Major Cities that have been Renamed after Independence	1.121
Sobriquets	1.121
India's Railway Zones and their Headquarters	1.121
Inland Water Transport	1.122
Percentage for various Land Uses of the Reported Area	1.123
Important National Highways	1.123
Terms Relating to Urban Geography	1.125

SECTION II—HISTORY 2.1–2.187

1. General Information	2.3
Chronology of World History	2.3
An Overview of World History	2.15
Chronology of Indian History	2.16
Ancient World (4000BC–500AD)	2.27

2. World History	2.27	SECTION V—SCIENCE	5.1–5.77
Ancient World (4000BC – 500AD)	2.27	1. Physical Sciences—Fundamentals and Applications	5.3
Medieval World (500 – 500AD)	2.38	Physics—Fundamentals and Terminology	5.3
Modern World (1500 – 1945AD)	2.51	Chemistry—Fundamentals and Terminology	5.21
3. Indian History	2.97	Earth Science—Fundamentals and Terminology	5.30
Ancient Indian History	2.97	2. Life Sciences	5.52
Medieval Indian History	2.117	About Animal Kingdom	5.52
Modern Indian History	2.134	About the Plant Kingdom	5.61
Indian Freedom Struggle	2.152	Applied Life Sciences	5.67
SECTION III—POLITY	3.1–3.132	Research Institutions in India	5.70
1. International Organisations and Relations	3.3	How and Why of Life Sciences	5.73
Basics of Organisations	3.3	SECTION VI—CULTURE	6.1–6.118
International Relations and Issues	3.32	1. World Culture	6.3
2. Indian Constitution	3.49	World Religions and Philosophies	6.3
3. Indian Government and Civil Society at Work	3.93	World Languages and Literature	6.13
Federalism in India	3.93	World Art and Architecture	6.23
Government at Work	3.100	World Cinema and Fashion	6.36
Civil Society at Work	3.116	2. Indian Culture	6.49
SECTION IV—ECONOMY	4.1–4.119	Indian Religions and Philosophies	6.49
1. International Economy	4.3	Other Minority Religions	6.63
2. Indian Economy	4.18	Indian Languages and Literature	6.69
Outline of Indian Economy	4.18	Indian Art and Architecture	6.90
Economic Planning in India	4.19	Indian Films and Fashion	6.111
National Income in India	4.33	SECTION VII—SPORTS	7.1–7.67
Money and Banking	4.36	1. International Sports	7.3
Public Finance and Taxation	4.76	Major International Multi-sport Events	7.3
Insurance Sector in India	4.80	Major International Popular Sports	7.13
Communication	4.88	2. Indian Sports	7.58
3. Applied Indian Economy	4.91	Origins and Growth	7.58
		Popular Indian Sports	7.59

SECTION VIII—IMPORTANT EVENTS, NEWS & PERSONALITIES 2010	8.1–8.80	6. Awards and Prizes	8.43
1. National Events	8.3	7. Persons in News	8.51
2. Economic Affairs	8.19	8. Places in News	8.54
3. India and the World	8.26	9. Latest Books and Authors	8.58
4. International Events	8.32	10. Sports and Games	8.62
5. Science and Technology	8.40	Multiple Choice Questions	8.75
		Answers	8.80

1. World Geography
2. Indian Geography
