

One word Substitution is one of the integral parts of vocabulary. It simply means that a sentence has to be replaced with a single word.

PART 1 OF 2

ONE WORD SUBSTITUTION

- “One Word Substitutes” as the phrase indicates itself are the words that replace group of words or a full sentence effectively without creating any kind of ambiguity in the meaning of the sentences.

Like the word “autobiography” can be used in place of the sentence, “The life story of a man written by himself.”

- One word substitution is a technique of the replacement of long phrases with a single word, which helps in condensing an expression and making it clear and more cryptic.
- It is not only an exercise in precision alone; it is an art highly desirable in professional life.
