

# ORGANISATION AND FINANCING OF INDUSTRIES IN INDIA

**C. B. MAMORIA, Ph. D.,**

Reader, Department of Business Administration,  
School of Basic Sciences & Humanities,  
University of Udaipur,  
UDAIPUR

FOURTH EDITION, 1971

KITAB MAHAL, ALLAHABAD

1971

# CONTENTS

## SECTION 1

### TOOLS & FACTORS OF INDUSTRIAL DEVELOPMENT

#### **Industrial Policy**

1-17

1 Need for a National Policy, 1 ; Pre-Independence Industrial Policy, 1 ; Industrial Policy Resolution of 1948, 6 ; Review of the Industrial Policy, 7 ; Industrial Policy Resolution of 1956, 9 ; Objectives of the Policy, 10 ; Classification of Industries, 10 ; Other Provisions of the Policy, 12 ; Comparison between 1948 and 1956 Policy, 13 ; Evaluation of the Policy, 14 ; Industrial Development Policy During the Fourth Plan, 16.

#### **Regulation and Licensing of Industries**

18-37

2 Industries (Development and Regulation) Act, 1951, 18 ; Scope of the Act, 18 ; Provisions of the Act, 19 ; 1. *Preventive Measures*, 19 ; Industries Registration Procedure, 20 ; The Licencing Committee, 21 ; List of Industries for Licensing, 21 ; Investigation into the Affairs of the Industries, 22 ; Revocation of Registration, 22 ; 2. *Curative Measures*, 22 ; 3. *Positive, Constructive and Creative Measures*, 23 ; The Central Advisory Council, 23 ; Reviewing Sub-Committee, 23 ; Standing Committee, 24 ; Development Councils, 24 ; Review of Industrial Licensing Policy, 25 ; Hazari Committee, 26 ; Industrial Licencing Inquiry Committee, 27 ; The Licensing Policy of April, 1970, 29 ; Lacunae of the New Policy, 32 ; Suggestions, 33 ; Industrial Licensing Policy During the Fourth Plan, 36.

**Tariff Policy**

38-61  
Laissez-faire Policy, 38 ; Evolution of the Policy of Protection 38 ; The Fiscal Commission 1921, 39 ; The Policy of Discriminating Protection, 40 ; Appraisal of the Policy of Discriminating Protection, 41 ; Industries Protected, 42 ; Other Benefiting Protection, 44 ; Main Drawbacks of the Fiscal Policy, 45 ; Post-War Policy and Interim Tariff Board, 47 ; Reconstituted Tariff Board and Its Working, 48 ; *Present Tariff Policy*, 50 ; Fiscal Commission (1949-50), 50 ; Functions of the Tariff Commission, 54 ; Working of the Tariff Commission, 55 ; Results of Protection, 56 ; Tariff Commission Review Committee, and the Government, 57.

**Basis of Modern Industry**

62-86

1. *Agricultural Resources* : Land Utilisation, 62 ; Agricultural Production and the Plans, 64 ; Principal Crops, 65 ; Reorganisation of Agriculture, 69 ; 2. *Forest Resources* : The Forest area, 71 ; Classification of Forests, 71 ; Types of Forests, 72 ; Forest Resources, 73 ; (a) Major forest produce, 73 ; (b) Minor forest produce, 75 ; Low productivity of forests and its causes, 78 ; Forest Development Policy under the Plans, 79 ; Suggestions for further Improvement of Forest Resources, 80 ; 3. *Animal Resources* : Cattle Breeds, 80 ; Contribution of Cattle to the National Economy, 82 ; Milk Production, 82 ; Hides and Skins, 82 ; Bone Resources of India, 83 ; Raw Wool, 84 ; Raw Silk 84.

**Bases of Modern Industry (Contd).**

87-118

5 *Mineral Resources* : India's Mineral Belt, 87 ; Extent and Production of Minerals, 90 ; India's position in the World, 91 ; Mining Occupation and Mines, 94 ; Principal Minerals, 96 ; Atomic Minerals, 105 ; Other Minerals, 106 ; Features of Mineral Industry in India, 107 ; Mineral Development Policy, 111 ; Mineral Development during the Plans, 113.

**Bases of Modern Industry (Contd).**

119-157

6 *Energy Resources* : Sources of Energy, 119 ; Growth of Electricity, 120 ; (A) *Thermal Energy*, 124 ; Power-Grids, 124 ; 1. *Coal Resources*, 126 ; Gondwana Coals, 126 ; Tertiary Coals 127 ; New finds, 128 ; Production of Coal, 129 ; Reserves of Coal Resources, 130 ; Conservation of Coal Resources, 131 ; 2. *Petroleum Resources* : Areas of concentration, 132 ; Historical Development of oil Exploration, 134 ; Production, Consumption and Future Requirements, 137 ; Refineries, 137 ; Reserves of oil, 139 ; Marketing of Oil ; 139 ; Trade in Petroleum, 140 ; 3. *Natural Gas*, 140 ; (B) *Water Power Resources* :

Power Zones in India, 141 ; Progress of Water Power Development, 144 ; (C) *Nuclear Power*, 146 ; (D) *Other Sources of Power* : Tidal Power, 149 ; Wind Power, 150 ; Solar Power, 150 ; Future Prospects, 150.

**Bases of Modern Industry (Contd).**

158-175

7 *Human Resources* : Growth of Population, 158 ; Occupational Structure, 159 ; Industrial Labour, 160 ; Labour Supply to Industries, 163 ; Labour Supply to Plantations, 165 ; Labour Supply to Mining, 166 ; Employment Situation in India, 166 ; Unemployment, 167 ; Under-employment, 171 ; Causes of Unemployment and Under-Employment, 171 ; Remedy, 172 ; Technical Personnel and Training Facilities, 172.

**Bases of Modern Industry (Contd).**

176-197

**Capital Resources**

8 Importance of capital accumulation, 176 ; Capital formation, 176 ; Process of Capital formation, 177 ; Capital formation in some countries, 178 ; Progress of Capital formation in India, 179 ; Investments and Savings, 180 ; Factors Hindering Capital formation, 181 ; Methods of Promoting Capital formation, 185 ; 1. Employment of Surplus Labour, 186 ; 2. Increased Savings, 189 ; 3. Forced Savings, 190 ; 4. Taxation, 190 ; 5. Favourable Fiscal Policy, 191 ; 6. Borrowings, 192 ; 7. Deficit Financing, 192 ; 8. External Assistance, 193 ; 9. Constant Consumption Level, 193 ; 10. Strong Political Setup, 193 ; 11. Development of Capital Market, 194 ; Resume, 195.

## SECTION 2

**LOCATION & SIZE OF INDUSTRIAL UNITS**

201-219

**Location of Industries**

9 Importance of Location of Industries, 201 ; Factors Influencing Location, 202 ; Evils of Concentration of Industries, 212 ; Concentration of Industries in India, 215 ; Changes in Industrial Location, 218.

**Location of Industries in India**

220-258

10 Industrial Regions of India, 220 ; *Location of Cotton Textile Industry*, 221 ; Dispersal of the Industry, 224 ; *Location of Jute Textile Industry*, 228 ; Dispersal of the Industry, 230 ; *Location of Sugar Industry*, 231 ; Dispersal of the Industry, 234 ; *Location of Iron and Steel Industry*, 236 ; New Steel Plants for South, 243 ; *Location of Cement Industry*, 244 ; Dispersal of the Industry, 245 ; *Location of Glass Industry*, 249 ; *Location of Paper Industry*, 252 ; Trends in the Location of Paper Industry, 255.

- Balanced Regional Development** 259-269
- 11 Dispersal of Industries, 259; Objectives of dispersal, 260; Trends in Decentralisation of Industries in foreign countries, 261; Role of State in Dispersal of Industries in India, 261; Trends of Dispersal of Industries in India, 264; Future Pattern of Industrial Location, 266; Principles Governing Dispersal of Industries on Strategic Grounds, 268.
- Size of Industrial Units** 270-283
- 12 Determinants of the size of Units, 270; The optimum size and factors determining it, 271; The optimum survival unit, 274; Size of Units in Cotton Textile Industry, 275; Size in Jute Industry, 277; Size in Cement Industry, 278; Size in Paper Industry, 279; Size in Sugar Industry, 281; Size in Coal Industry, 282; Size of Iron and Steel Industry, 283.

## SECTION 3

## INDUSTRIAL EVOLUTION OF INDIA

## Cottage Industries

287-307

- 13 Role of Cottage Industries, 287; Cottage Industries in Foreign countries, 288; Definition of Cottage Industries, 289; Chief characteristics of Cottage Industries, 290; Causes of their decay, 291; Reasons for survival of these industries, 292; Why Cottage Industries need be developed, 294; Classification of Cottage Industries, 296; Some Principal Village Industries, 298; Difficulties of Cottage Industries, 300; Government Cottage Industries, 303; Cottage Industries Under the Plans, 306.

## Development of Modern Industry

308-333

- 14 Early development of Indian Handicrafts, 308; Industrial Development During Sixteenth Century, 312; Development During Eighteenth Century, 313; Causes of Decay of Industrial Handicrafts, 313; Development of Modern Industry in the Nineteenth Century, 316; Development of Industries During 1884-1914, 319; Development of Industries During First World War, 321; Industrial Development During Inter-War period, 324; Industrial Development During the Second World War, 327; Industrial Development in the Post War Period, 330; Effects of Partition on Industrial Development, 330; Resume, 333.

- Industrial Development Under the Plans** 334-356
- 15 The First Five Year Plan, 334; Achievements of the First Plan, 336; The Second Five Year Plan, 338; Achievements of the Second Plan, 341; The Third Five Year Plan, 343; Achievements of the Third Plan, 344; The Three Annual Plans; 346; An over-all view of Planning Achievements, 347; The Fourth Five Year Plan; Objectives, 352; Licensing Policy, 352; Targets, 352; Outlays, 356.
- Small Scale Industries** 357-372
- 16 Definition and Characteristics, 357; Importance of Small Scale Industries, 358; Growth and Development, 360; Development During the Plans, 361; Prospective Industries to be Developed, 363; Problems of Small Scale Industries, 364; Japanese Team on Small Scale Industries, 365; Karve Committee's Observation, 366; The Government and the Small Scale Industries, 367; Lines of Future Development, 370.

## SECTION 4

## INDIAN INDUSTRIES

- Indian Cotton Textile Industry** 375-415
- 17 Historical Development, 375; Brief History of the Mill Industry, 377; World War I and After, 379; Second World War and After, 380; Impact of Partition, 382; Protection, 382; Progress Under the Plans, 384; Present Position of the Industry, 387; Production of Varieties, 389; Consumption of Cloth, 390; Export Trade in Cloth, 391; *The Decentralised Sector of Cotton Industry*, 1. The Handloom Industry, 394; 2. Powerlooms, 398; 3. Khadi Industry, 400; *Problems of the Industry*, 400; Research, 408; Resume, 408; Appendix, 409.
- Jute Textile Industry** 416-437
- 18 Historical Perspective, 416; Industry During the First World War and After, 419; Industry During the Second World War, 422; Effects of Partition, 422; Industry During the Plan period, 423; Present Position, 425; Exports, 427; Problems of the Industry, 430; Government's Role and the Industry, 433; Resume, 435; Appendix, 435.

**Woolen & Rayon Industries**

19 The Woolen Textile Industry, 438 ; Processes of the Industry, 438 ; Development of the Industry, 438 ; Present Position, 440 ; Production, 441 ; Exports, 442 ; Concentration of the Mill Industry, 443 ; Wool Combing Units, 444 ; Woolen Hosiery Sector, 446 ; Woolen Carpets and Felt Sector, 446 ; Production of Raw wool, 447 ; Problems of the Industry, 449 ; Retsume, 451 ; *Rayon Industry* : Development of the Industry, 451 ; Production and Consumption, 454 ; Exports, 455 ; Raw materials, 455 ; Problems of the Industry, 457 ; Appendix 458.

438-460

**Food Industries**

20 *Sugar Industry* : Early Growth, 461 ; The Grant of Protection and the Development of the Industry, 461 ; Development of the Industry during 1939-69, 463 ; Industry during the Plan period, 466 ; Consumption of Sugar, 467 ; Exports of Sugar, 468 ; Importance of the Industry, 469 ; Organisational Structure, 470 ; Concentration of the Industry, 470 ; Sugar Culture, 472 ; Controls, 473 ; Price of Sugarcane, 474 ; Price of Sugar, 476 ; Problems of the Industry, 476 ; Question of Nationalisation, 480 ; Sugar from Beet, 480 ; The Indian Sugar Syndicate, 481 ; *Vanaspati Industry* : Development of the Industry, 482 ; Exports, 484 ; Present Position, 485.

461-490

**Tea Industry**

21 Plantation Crops, 491 ; Importance of Tea Industry, 491 ; Growth and Development of the Industry, 492 ; Industry During the Plan period, 497 ; Exports, 498 ; Concentration of Tea Plantation, 500 ; Tea Culture, 501 ; Manufacture of Tea Leaves, 503 ; Problems of the Industry, 504 ; Government Control on Production, Distribution and Export, 505 ; Financing of the Industry, 507 ; Marketing of Tea, 507 ; Indian Tea Marketing Expansion Board, 508 ; Plantation Enquiry Committee, 510 ; Appendix, 513.

491-516

**Cement, Glass & Ceramics Industry**

22 *Cement Industry* : Growth and Development of the Industry, 517 ; Development During the Plan period, 520 ; Production of Cement, 526 ; Consumption of Cement, 526 ; Types of Cement produced, 527 ; Exports, 527 ; Concentration of the Industry, 527 ; Importance of the Industry, 528 ; Distribution and Price, 529 ; Problems of the Industry, 530 ; *Glass Industry* : Early Development, 531 ; Development of Modern Industry, 531 ; Development During the Plan period, 532 ; Consumption of Glass, 533 ; Exports, 535 ; Organisation and Concentration of the Industry, 536 ; Raw materials, 536 ; Problems of the Industry, 537 ; Flat Glass, 540 ; Rolled Plate Glass, 541 *Ceramics Industry* : Growth of Modern Industry, 542 ; Production, Consumption and Exports, 542 ; Concentration of the Industry, 544.

517-549

**Paper and Leather Industries**

23 *Paper Industry* : Development of the Industry, 550 ; Production, 552 ; Consumption and Trade, 553 ; Newsprint, 555 ; Concentration of the Industry, 556 ; Problems of the Industry, 556 ; Future Crash programme, 558 ; *Leather Industry* : Development of the Industry, 559 ; Production of raw hides and skins, 561 ; Organisation of Industry, 561 ; Shoe-making Units, 563 ; Problems of the Industry, 564.

550-564

**Metallurgical Industries**

24 *Iron and Steel Industry* : Early Development of the Industry, 565 ; Development of modern industry, 567 ; Development of the Industry under the Plans, 569 ; During the Fourth Plan, 571 ; Production, 571 ; Consumption, 573 ; Demand Projection, 574 ; Exports/Imports, 576 ; Organisation of the Industry : Private Sector Plants, 576 ; Public Sector Plants, 578 ; New Steel Plants, 586 ; The Re-rolling Mills, 588 ; Control and Retention Prices, 588 ; Problems of the Industry, 589 ; *Copper Industry* : Properties and uses of Copper, 593 ; Early Development, 593 ; Copper Areas, 594 ; Production and Consumption, 595 ; *Lead and Zinc Industry* : Zinc deposits, 596 ; Zinc Smelter, 597 ; *Aluminium Industry* : Growth of the Industry, 597 ; Development During the Plan period, 598 ; Principal producers, 601 ; Problems of the Industry, 603 ; *Ferro Alloys Industry*, 604.

565-608

**Engineering Industries**

25 Types of Engineering Industry, 609 ; Development of the Industry, 609 ; Development during the Plan Period, 610 ; Exports and Imports of Capital Goods, 613 ; Concentration of Engineering Industry, 614 ; *Heavy Structural Industry*, 615 ; *Machines Tools Industry*, 616 ; *Electrical Machinery and Equipment Making Industry*, 619 ; *Light Electrical Goods Industry*, 621 ; *Industrial Machinery Manufacturing Industries*, 625 ; *Automobile Industry*, 627 ; Railway Rolling Stock, 631 ; Aircraft Industry, 633.

609-642

**Shipping Industry**

26 Brief History of Growth, 643 ; Shipping Policy of Independent India, 646 ; Eastern Shipping Corporation, 647 ; Western Shipping Corporation, 648 ; Shipping Corporation of India, 648 ; Other Shipping Companies, 651 ; Progress of Indian Shipping, 651 ; Ship Building Industry, 653 ; Repair Workshops, 654 ; Problems of Shipping Industry, 655.

643-658

**Indian Coal Industry**

27 Origin of Coal, 659 ; Concentration of Coal-fields, 660 ; Types of Coal, 661 ; Growth and Development of the Coal Mining

659-680

- 27 Industry, 662; First World War and After, 663; Depression and II World War Period, 665; Working Party for the Coal Industry, 667; Coal Industry After Independence, 668; Coal Washeries, 669; National Coal Development Corporation, 671; Coal Production, 671; Coal Consumption, 672; Export of Coal, 673; Reserves of Coal Resources, 674; Conservation of Coal Resources, 675; Problems of the Industry, 677.

### Chemical Industry

- 28 Types of Chemicals, 681; Development of Industry, 682; Important features of the Industry, 683; *Heavy Chemical Industry*: 1. Sulphuric Acid, 684; 2. Alkalies, 686; Soda Ash, 686; Caustic Soda, 688; Chlorine, 689; *Drugs and Pharmaceuticals*: 689; *Fertilisers*: Requirements and Consumption, 693; Growth of Industry, 693; Production and Imports, 696; (A) *Nitrogenous fertilisers*, 698; Principal fertiliser units, 701; (B) *Phosphatic fertilisers*, 702; (C) *Potash fertilisers*, 703; Problems of Fertiliser Industry, 703; Petro-Chemicals, 705; Brief history of Development, 705; Principal producers, 705; Problems and Prospects of the Industry, 708; *Rubber Industry*: Production of Rubber, 709; Growth of Industry, 710; Production and Demand, 711; Synthetic Rubber, 714.

## SECTION 5

### INDUSTRIAL MANAGEMENT

#### Management of Public Enterprises

719-767

- 29 Nationalisation of Industries, 719; Development of public enterprises in India, 722; Forms of Management of State Enterprises, 723; Working of Government undertakings, 731; Investments, 732; Internal Resources, 735; Working Capital and Inventories, 736; Employment, 737; Profit and Losses, 739; Physical Output, 739; Exports, 741; Appraisal of the Working of Public Enterprises, 741; Problems of Public Sector Undertakings, 743; Conclusion, 748.

#### Managing Agency System

768-790

- 30 Definition and Characteristics, 768; Evolution of Managing Agency System, 769; Functions performed by Managing Agents, 773; Appraisal of the work of the Managing Agents, 777; Defects of the Managing Agency System, 778; Vivian Bose Committee's Views, 786; Managing Agency Enquiry Committee, 788.

- 31 **Combination Movement in India** 791-807  
Industrial Combinations: Meaning and Growth, 791; Types of Industrial combinations, 794; Horizontal Combination, 794; Vertical Combination, 795; Mixed Combination, 796; Pools, 798; Kartells, 799; Trusts, 800; Community of Interest/Concentration of Ownership, 801; Concluding Observations, 807.

#### Concentration of Economic Power

808-834

- 32 Definition and Forms, 808; Govt. Policy, 809; Distribution of Income and Levels of Living Committee, 810; Monopoly Enquiry Commission, 812; Types of Concentration, 813; Causes leading to Concentration of economic power, 813; Product-wise Concentration, 815; Country-wise Concentration, 817; Consequences of Concentration, 819; Recommendation of the Commission, 820; Appraisal of the Recommendations, 821; Monopolies and Restrictive Trade Practices Act, 821; Remedial measures, 821.

#### Worker's Participation in Management

835-855

- 33 Changing Views, 835; Definition and Connotations, 836; Origin and development of the system, 837; Objectives and Importance of the Scheme, 838; Levels of Participation, 839; Development of the Idea in India, 841; Indian Labour Conference, 1957, 847; First Labour Management Seminar, 1958 847; Second Seminar on Labour—Management Co-operation 1960, 849; Evaluation of the Scheme, 851; Conditions of success of the Scheme, 853.

#### Rationalisation of Industries

856-879

- 34 Definition and Objectives, 856; Benefits of Rationalisation, 858; Opposition to Rationalisation Schemes, 859; Need for Rationalisation in Indian Industries, 860; History and progress of Rationalisation in India, 862; The Plans and Rationalisation Schemes, 864; Rationalisation in Jute Industry, 867; Rationalisation in Cotton Industry, 869; Rationalisation in Coal-Industry 857; Rationalisation in Sugar Industry, 879.

#### Industrial Productivity

880-888

- 35 Meaning and Objectives of Productivity, 880; Factors Affecting Productivity, 881; Tools of Productivity, 881; Low Productivity in India, 881; Need for higher productivity, 883; The I. L. O. Mission, 883; First Seminar on Productivity, 885; Second Seminar on Productivity, 886; National Productivity Council, 886; Local Productivity Councils, 887; Activities of the N. P. C., 887; Other Agencies, 888.

## SECTION 6

## FINANCE

**Industrial Finance**

- 36 Capital requirements of an Industrial Undertaking, 891-913  
 Types of Capital, 892 ; *Forms of Long-term Finance* : Shares, 894  
 Debentures, 897 ; Public Deposits, 899; private Investors, 900  
 Ploughing Back of profits, 901 ; Industrial Banks, 905 ; Com-  
 mercial Banks, 906 ; Central & State Governments, 910 ; In-  
 vestment Trusts, 911 ; Special Financing Institutions, 911.

**Institutional Financing Agencies**

- 37 Need for Special financing agencies, 914 ; 1. Industria  
 Finance Corporation of India, 919 ; 2. State Financial Cor-  
 porations, 931 ; 3. National Industrial Development Corpo-  
 ration, 940 ; 4. Industrial Credit and Investment Corpo-  
 ration, 942 ; 5. Re-finance Corporation, 947 ; 6. Industria  
 Development Bank of India, 948 ; 7. Unit Trust of India  
 952; Life Insurance Corporation of India, 956, Appendix, 956

**Foreign Capital**

- 38 Importance of foreign capital, 984 ; Why foreign capita  
 needed, 985 ; Quantum of foreign assistance, 988 ; Forms of  
 foreign Capital, 990; Evils of foreign assistance,, 992; Employ-  
 ment of foreign capital in India, 993 ; Governments polic  
 towards foreign capital, 994 ; Progress of foreign Collabora-  
 tion, 1003; Impediments in way of foreign Capital, 1007; Fa-  
 vourable Investment Climate needed, 1008; Government mea-  
 sures to encourage foreign investments, 1008; Joint Venture  
 Abroad, 1010; Conclusion, 1011.

**Bibliography**

102
