## **Mission**

The institutional mission for which the entire team of this college is endeavoring is to equip our students with such qualities that they can confidently face the challenges in this globalized scenario. The power of knowledge which cannot be defeated has to be suitably and effectively imparted in our students. A student after passing three years of his academic pursuit should feel indebted to his alma mater for what he has attained and gained in all these years. Inculcating such feelings and sentiments based on the theory of karma is our mission for which we pray to God to shower upon us his blessing, making us march with the required zeal and dedication.

## COLLEGE AT A GLANCE

**Manohar Memorial Post-Graduate College, Fatehabad (Haryana)** came into its wonderful existence on **June 24, 1970**. The college has been marching ahead on its uphill journey since its inception. It has since become synonymous with dedication, commitment and service to the community in this educationally and culturally backward region. It is universally recognized for its impeccable credentials of being a top-ranking and first-rate institution all over the state. It has left behind more than five glorious decades of its eventful history.

The college owes its emergence to the “**Divine Inspiration**” of **Late Swami Gita Nand Ji Maharaj** who counselled **Late Mehta Khem Raj Ji Batra** to establish a college in the name of his only son **Manohar Batra** who had been snatched away by the cruel hands of destiny in his blooming youth while he had still seen only twenty-one springs of his life. The college was approved in the first instance by **Panjab University, Chandigarh**; then by **Kurukshetra University, Kurukshetra** and is presently affiliated to **Chaudhary Devi Lal University, Sirsa**.

The self-contained twenty acre sprawling campus is strategically located in the heart of the city on the National Highway in its green natural environs. It is well-equipped with an extensive building infrastructure containing all state-of-the art facilities. The campus boasts of spacious and well-maintained playgrounds for all games and sports.

After that, in 1992, sincere efforts were made to introduce Honours classes in English, Sanskrit and Punjabi. “Human Life” is the most beautiful gift bestowed upon us by the Almighty Lord. It is necessary for us to realize the truth that this life is too short and fragile. Its unpredictability enables us to face the difficult challenges courageously. We strive to become the best version of ourselves, every single day. No doubt, nobody knows what the future will bring but a true human being is one who never loses hope and courage throughout the journey of life. Renowned American business magnate, industrial designer, investor and media proprietor, Steve Jobs had once aptly remarked, “Sometimes life hits you in the head with a brick. Don’t lose faith.” It is really very important for us to understand the significance of this wonderful boon of life. We must cherish the precious value of each and every single moment of our life by devoting ourselves wholeheartedly in doing something that truly matters.

FROM DARKNESS TO LIGHT”**
