PRICE THEORY

JOE S. BAIN

UNIVERSITY OF CALIFORNIA

John Wiley & Sons, Inc. New York • London • Sydney

CONTENTS

CHAPTER	PAGE
1 THE NATURE AND FUNCTION OF ECONOMIC THEORY	1
The Meaning of an Economy—Measuring the Performance of an Economy—The Function of Economic Theory—Characteristics of a Free-enterprise Economy—The Content of Economic Theory—Organization of This Work—Some Remarks on Theoretical Method—A Beginning Point in Economic Analysis	
2 THE DEMAND FOR COMMODITIES	17
A. SOME BASIC CONSIDERATIONS: How Enterprise Sales Policies Are Determined—The Demands for the Outputs of Firms	
B. DEMAND FOR INDUSTRY OUTPUT: Definition of an Industry—The Demand for the Output of an Industry—The Industry Demand Schedule—The Industry Demand Curve—Why Industry Demand Curves Have a Negative Slope—The Demand Schedule and the Number of Buyers	
C. ELASTICITY AND CROSS-ELASTICITY OF DEMAND: Elasticity of Demand—A Precise Measure of Elasticity—Properties of Various Individual Industry Demands—The Interrelations of Industry Demands: Cross-elasticity of Demand—The Family of Demands for All Outputs—Effects of Income on Demand	
D. DEMANDS FOR THE OUTPUTS OF FIRMS: The Demand for Individual Sellers' Outputs—The Classification of Industries—Single-Firm Monopoly—Pure Competition—Monopolistic Competition—Oligopoly—The Demands for Individual Sellers' Outputs: Summary	
E. THE DEMAND FOR COMMODITIES—SUMMARY	
3 THE PRODUCTION COSTS OF THE FIRM	83
A. FUNDAMENTAL CONSIDERATIONS: The Definition of Costs of Production—The Level of Production Costs—The Variation of Cost with Output—Different Ways of Varying Output: Long and Short Period	
B. SHORT-RUN COST VARIATION: Definition of the "Short Period" and of Fixed and Variable Costs—The Short-run Relation of Cost to Output: Aggregate Cost—Short-run Average and Incre-	

CHAPTER	PAGE
mental Cost Schedules—Short-run Cost Curves—The Causes of Short-run Cost Variation—The Specific Shape of the Average Variable Cost Curve	
C. LONG-RUN COST VARIATION: Meaning of the Long Run—The Long-run Cost Curve—The Reasons for Long-run Cost Variation—The Relation of Long-run to Short-run Cost Curves for the Firm	
D. FURTHER ASPECTS OF COST VARIATION: Shifts in Cost Curves—Other Variables Influencing Firm Policy—Variation of Cost with Industry Output	
4 PRICE DETERMINATION IN PURE COMPETITION	126
A. PRELIMINARY MATTERS: Price Determination for Various Time Intervals—The Significance of Pure Competition	
B. SHORT-RUN PRICING IN PURE COMPETITION: Output Determination by the Firm—Price and Output for the Industry—Properties of Short-run Behavior in Pure Competition	
C. LONG-RUN PRICE AND OUTPUT IN PURE COMPETITION: The Process of Adjustment for the Industry—The Long-run Industry Supply Curve—Long-run Industry Behavior in Pure Competition	
D. THE SOCIAL DESIRABILITY OF INDUSTRY BEHAVIOR IN PURE COMPETITION: Standards of Desirable Behavior—Effects on Output and Employment—Efficiency, Income Distribution, and Selling Cost—Other Aspects of Behavior	
E. NORMATIVE PROPERTIES OF AN ECONOMY IN PURE COMPETITION: The Purely Competitive Economy—Employment and Income Distribution—The Allocation of Resources Among Uses—Summary	
F. PURE COMPETITION IN A WORLD OF CHANGE: Long-run Equilibrium Tendencies as Indicators of Performance—Processes of Adjustment to Change—Economic Security—Profits in a Changing Economy—Actual Cases of Pure Competition—The Development of Market Structures—Conclusion	
5 PRICING IN MONOPOLIZED MARKETS	190
A. THE MEANING OF MONOPOLY; ITS BASES AND ITS TYPES: Differences Between Purely Competitive and Other Pricing—The Definition of Single-Firm Monopoly—The Emergence of Monopoly—Two Categories of Monopoly	
B. PRICE DETERMINATION AND MARKET PERFORMANCE BY THE MONOPOLIST: Price and Output Determination Without Threat of Entry—Monopoly Performance and Profits—Monopoly Performance: Output Restriction—Comparison of Monopolistic	

CHAPTER	PAGE
and Competitive Output—Monopoly Performance: Efficiency in Scale and Utilization—Monopoly Pricing Subject to a Threat of Entry—Monopolistic Policy as to Product, Selling Cost, and Production Technique	
C. THE DYNAMICS OF MONOPOLY POLICY: Selection of Product and Technique—Development of Product and Technique—Response to Changing Demand and Cost—Intertemporal Price and Cost Relations	
D. MONOPOLY AND ECONOMIC WELFARE: Income Distribution and Efficiency—Output and Employment: A Few Monopolists—Output and Employment: A World of Monopolists—A Note on Factor Monopoly—Allocation of Resources—Progressiveness, Stability, and Selling Cost	
E. CONCLUDING REMARKS: Simple Monopoly Versus Discriminating Monopoly—Empirical Evidence of Monopoly Behavior—Single-Firm Monopoly in the Public Utility Field	
6 PRICING AND PRICE POLICY IN OLIGOPOLISTIC MARKETS	267
A. TYPES OF OLIGOPOLY; REASONS FOR ITS EMERGENCE: Subcategories of Oligopoly—Reasons for the Emergence of Oligopoly	
B. PRICE AND OUTPUT DETERMINATION IN DIFFERENTIATED OLIGOPOLY: Fundamental Considerations—Conflicting Attitudes of Sellers—Uncertainty and Stalemate—Express and Tacit Collusion—Perfect Collusion and the Perfect Cartel—Possibilities with Respect to Entry—Imperfect Collusion, and Alternative Forms of Concurrent Pricing	
C. OLIGOPOLISTIC MARKET STRUCTURE AND PERFORMANCE: Concentration and Market Behavior—Market Structure and Price-Output Performance	
D. NONPRICE COMPETITION AND NONPRICE COLLUSION: Market Shares and Price Differentials—Product Policy, Sales Promotion, and Nonprice Competition—Oligopolistic Sales-promotion Outlays—Effects of Sales-promotion Outlays on Buyer Welfare—Oligopolistic Product Policy—Effects of Rivalry in Product—Product Performance: Summary	
E. PURE OLIGOPOLY: Differences from Differentiated Oligopoly—Price-Output Determination	
F. OLIGOPOLY AND GENERAL WELFARE: Income Distribution and Efficiency—Employment and Allocation—Product Behavior, Selling Cost, Progressiveness, and Stability—Oligopoly and Price Determination	

CHAPTER

E. BILATERAL MONOPOLY AND THE PRINCIPLE OF DISCRIMINATION	437
10 THE PRICE SYSTEM FOR COMMODITIES	
A. THE SCOPE OF THE GENERAL CONCLUSIONS OF PRICE ANALYSIS	
B. SUMMARY AND SYNTHESIS OF SPECIFIC PREDICTIONS: Aggregate Employment—Resource Allocation—Productive Efficiency—Income Distribution—Selling Costs—Product Behavior—Progressiveness in the Modern Economy—Economic Stability—Further Aspects of Economic Behavior to Be Discussed	457
INDEX	

ix. CONTENTS

CHAPTER 9 MONOPOLISTIC COMPETITION

A. CHARACTERISTICS: Market Structure in Monopolistic Competition—The Seller's Demand Curve in Monopolistic Competition—Relationships Between Different Sellers' Demands	
B. PRICE AND OUTPUT DETERMINATION IN MONOPOLISTIC COMPETITION: Adjustment by the Single Seller—Short-Run Equilibrium—Long-Run Equilibrium	
C. ADJUSTMENT AND PRODUCT ADJUSTMENT: Non-price Competition Among Many Sellers—Sales Promotion and Advertising—Product Behavior	
D. MONOPOLISTIC COMPETITION AND GENERAL WELFARE: The Comparative Market Performance of Monopolistic Competition—Monopolistic Competition Versus Other Market Structures—Empirical Evidence of Industry Behavior in Monopolistic Competition	
10 THE EFFECTS OF CONCENTRATED BUYING	377
A. THE RATIONALE OF BUYER BEHAVIOR: When Buyers Are Many—When Buyers Are Few	
B. CHARACTER AND CONSEQUENCES OF MONOPSONY: Pricing Under Simple Monopsony—Results of Monopsonistic Policies—General Impacts of Monopsony on Welfare—The Monopsonistic Buyer as a Monopolistic Seller	
C. OLIGOPSONY AND BILATERAL MONOPOLY: A Few Buyers Supplied by Many Sellers—Bilateral Monopsony and Bilateral Oligopoly	
D. MONOPSONY AND ALLOCATION	
11 PRICE DISCRIMINATION	400
A. GENERAL CHARACTER AND TYPES OF PRICE DISCRIMINATION: The Meaning of Price Discrimination—Two Types of Discriminatory Pricing	
B. THIRD-DEGREE PRICE DISCRIMINATION: The Discriminating Monopolist's Problem—The Profit-maximizing Policy—The Effects of Third-degree Price Discrimination—The Segregation of Buyers by the Discriminating Monopolist—Monopsonistic Discrimination of the Third Degree	
C. FIRST-DEGREE OR "PERFECT" PRICE DISCRIMINATION: The Basis of First-degree Discrimination—Perfectly Discriminatory Price-Output Policy—Effects of Perfect Discrimination—Monopsonistic Discrimination of the First Degree	
D. CHAOTIC PRICE DISCRIMINATION: The Setting for Chaotic Discrimination—Types of Chaotic Discrimination
