5. Cooperate with the frisking/checking to be done at the entry gate of the exam centre. It is for the safety of the student concerned only, as it has been noticed from the past years that, there are some students who carries some suspicious papers barred items or things by mistake and at the time of frisking he/she may get the opportunity to keep himself/herself safe from being reported under the 'UFM' category.
6. Must not carry cell phones, wallets, purses, chits or pieces of paper, old question papers, or anything that draws suspicion about the possibility of unfair means being adopted.
7. Obey all instructions given in the exam hall or room and ensure maintaining complete discipline during exams.
8. Read Question Paper carefully and follow instructions in it.
9. Must read the instructions on the Answer Book and fill in accurate and relevant details, wherever required.
10. Must avoid believing or forwarding rumours etc.
11. Carry water in the transparent bottles only.

Parents are equally responsible for giving the child a pleasant exam experience, therefore, please ensure that there is no stress or anxiety conveyed to the child from your side. Parents are also requested not to congregare outside exam centre during the exam or to attempt to enter the centre. This will help in smooth entry of the candidates into the examination centre as also help the staff on examination duty to pay adequate attention on the examinees.

Being parents, you are requested to kindly guide your child/examinee NOT TO USE SHORT WORDS while writing Answers, AS BEING USED BY THEM FOR WHATSAPP – SMS etc. such as "U" against YOU & "Y" against WHY, similarly "M" against AM etc. so that, there may not be anything adverse to the students concerned.

We look forward to your full cooperation and support for smooth and fair conduct of Examinations and we wish your child all the best for the Board's ensuing examinations.

With best wishes !
