General Instruction :

1. In the above-cited time table, the concerned classes' student has to attempt the concerned subject exam paper from the home for this the student's guardian have to obtain an answer sheet from their concerned driver or the school. Either question will be shared in concerned class what's app group or in the school app.
2. The guardians have to take these final term examination in their supervision and have to ensure the student does not copy the answer from any source.
3. After completing all examination schedule the guardian must have to submit the concerned subject answer sheet on March 24th, 2021 to the concerned class's class teacher until the guardian has to retain the answer sheet safe in their custody.
4. As per the CBSE promotion policy the student cannot be promoted to the next class. So all the student appearances in the examination are mandatory.
5. If there is any outstanding of the school fees of any student then their guardian will have to clear all dues before the examination necessarily. After completing all dues the student will get entitled to appear in the examination.
