A Message

Education is training of minds to deal with day to day challenges and to advocate whatever suitable and useful for the society which is the ultimate goal of education in its real form.

We at SPS focus on discovering, developing and drawing out the hidden talents. From academics to co-curricular activities perservance and a never-say-die spirits are entrenched in the heart of every student for not only making them good students but also brilliant human beings. In today's dynamic world, a complete, perfect personalities are welcomed and entertained in every field, through our campus we are intending to create an environment for future professionals, entrepreneurs and scientists who possess skills and aptitudes in an array of functional disciplines.

My very competent team of teachers strives to focus on each and every child, monitor and mentor them, appreciates their achievements and encourages them to overcome their shortcomings. we value individualism and try to inculcate creativity and confidence. Besides rigorous scholastic programs, the school has marked its name in all spheres such as music, sports and theatre etc.

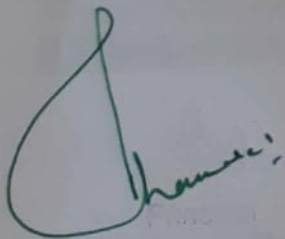

As a dynamic and progressive educational institution, we provide collaborative, cooperative and supportive environment to foster innovation as well as support teaching practices which are not only stimulating and conducive for learning but also ensure that our students grow up into autonomous individuals with deep rooted value system

We invite the parents to join hands with us in this endeavor to prepare our students to face the challenges of life.

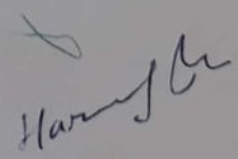

We are empowered by unwavering trust that parents have shown in the school culture which is the foundation stone for this institution in this knowledge lies our strength and inspiration
