"Hope you all enjoy your holidays well and have much cherished moments with your family and friends. Celebrate this holiday season with much fervor and return back with zeal. So it's time to relax, reflect and recharged."

General Instructions:

1. Read the given set of instructions carefully.
2. You must file all the given tasks in a single file.
3. The project should be handwritten. Neat work must be done.
4. It should be well presented, researched and pictorial.
5. Your project must have a cover page, table of contents, acknowledgements and bibliography.
6. All questions/ answers must be correctly numbered.

Holiday home work:

Read any two English story books of your choice. Write the summary of each on A4 size sheet.

Lagori, Kancha, Gilli-danda, KhoKho – recognise any of these names? Your parents and grandparents could tell you a tale or two about the magic of these childhood games. Do the children of this generation have the same memories? Most likely not, because many of them spend their time playing video games in a virtual world. This addiction has brought the classic Indian games mentioned above, and many others, to the brink of extinction. So why not recall and replay some of these traditional Indian games this summer?

Keeping the above statement in mind, prepare a project on **the Traditional Games of India** as a part of your

Activity 1(English)

To start with, research on the games that were played in ancient India.

Ask your parents/ grandparents if they have played any of these sports/ games. Make a set of questionnaire that you'd like to ask them. Conduct your interview only once you're well prepared. Click pictures for evidence and write the interview (questions with their subsequent answers) neatly on coloured A4 size sheets.

Activity 2(Hindi)

आज की बदलती रोजगारी की जिंदगी में खेलों का रूप बिल्कुल बदल गया है आपके व आपके माता-पिता के समय में खेलों में किस प्रकार का बदलाव आया है और वह कैसे आज के बच्चों के स्वास्थ्य पर प्रभाव डाल रहा है? इन सब के विषय में बताते हुए अपने छोटे भाई को पत्र लिखिए।

Pill Goli

Gulli Danda

Activity 3:(Maths)

There are a plethora of traditional games which are local to various regions of India and have different variants – gilli danda, lattu, marbles, stapu, pithhoo, vishamrit, khokho, kite flying etc. Mathematics cannot be kept away from any activity, particularly sports otherwise there would be no scores and thus no winners. During holidays, you must find out the role of Mathematics in traditional games and sports, other than scoring, by undertaking the following tasks:

Compare the two games Cricket and Gilli Danda in terms of

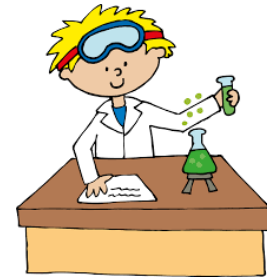

- Number of players
- Dimensions of their play ground
- Sizes of their playing equipments
- Score pattern

Activity 4:(Science)

Choose any one traditional game of ancient India/ the board game/ card game that you just created and try playing it in these holidays with your friends/ siblings/ cousins. Write a composition sharing your experience. You must write about:

- how it changed your perception
- how did it contribute to your mental and physical well-being
- any values learnt.

Activity 5(S.st)

Compare the traditional game such as Gilli Danda etc. with modern games such as video games etc. Mention their advantages and disadvantages.

***Summer Vacations will start from May 27th , 2017 and school will reopen on 28th June , 2017 as usual. School timing 7:45 a.m. to 1:15**
